

WEIZENBOCK

Established in 1514, Brauerei Göller is one of the oldest family-owned craft breweries in the world. They continue to source all grains locally, never pasteurize, and lager all beers for six weeks or more.

Our Weizenbock is traditionally tapped in Autumn, and will only be available while supplies last. With an original gravity of 17.5%, our proprietary wheat beer yeast produces distinctive fruity notes with aromas of banana and currant, which then creates a delightful combination of sweet maltiness and smooth fruitiness laced through with a slight bitterness for balance. It is this artful combination of the fruit and the malted wheat flavors that makes great Weizenbocks stand out from the crowd.
