

DUNKEL

Established in 1514, Brauerei Göller is one of the oldest family-owned craft breweries in the world. They continue to source all grains locally, never pasteurize, and lager all beers for six weeks or more.

Bold notes of chocolate and coffee derived from the roasted Munich malts defines this dark lager -- "Dunkel" meaning "dark" in German. Yet it finishes out pleasantly on the palate with a malty sweetness and a lingering, almost savory bitter note. Remarkable for its full body robustness and its gentle finish, the Dunkel from Göller is easily our most popular beer in America. In Germany, it has won numerous awards, from the Meininger's Gold Medal to the World Beer Award. Have fun pairing it with a spectrum of dishes, from grilled steaks to chocolate cake.
